

**Central Research Institute for Dryland Agriculture**  
**Santoshnagar, Hyderabad – 500 059**

## QUALITY POLICY

At CRIDA, Hyderabad we strive to enhance the livelihoods of the farming community by carrying out basic and applied research leading to the development of efficient, cost effective and environmentally friendly technologies in rainfed agriculture. We are also committed to educate and enhance the capability of all stakeholders involved in development of rainfed agriculture while continuously looking for ways to improve our processes.
